

LEADERS PROGRAMME

Leaders Programme (LP) develops the skills needed for leaders to thrive in changing work environments. It builds capabilities to strengthen influence within and across diverse work teams in the context of changing organisational structures.

Participants are equipped with toolkits for informed effective actions in leading agile and sustainable change.

For more information, visit our [website](#)

WHAT TO EXPECT

- ✓ Development of the necessary skills to be an agent of change in a sustainable and agile manner
- ✓ Hands on practice assessing the needs of stakeholders, making decisions and creating the power to connect, influence, and guide
- ✓ Growth in resilience to lead with a future mindset

WHO SHOULD ATTEND

- ✓ C-3 level and/or high-potential executives who are being groomed for taking on enterprise-level management responsibilities

PROGRAMME INVESTMENT

- ✓ S\$15,540 per participant (before GST)
