

ASEAN BUSINESS LEADERS PROGRAMME

LEAD THE NEXT DECADE OF ASEAN AND BEYOND

The **ASEAN Business Leaders Programme** (ABLP) develops strategic leadership capabilities designed for the region's dynamic business landscape. It fosters ecosystem collaboration across ASEAN and beyond through immersive learning experiences, where the participants enhance their business, economic, and cultural understanding alongside diverse ASEAN peers.

Centred on "**Innovating for Impact through Ecosystem Collaboration**," the programme equips leaders to drive sustainable growth by connecting across sectors and geographies to develop solutions that address real challenges in business and society.

LEADERSHIP INSIGHTS AND MASTERY

- ✓ **Strategic Regional Insight:**
Profit from the latest views and growth opportunities in ASEAN, including the new ASEAN Report 'The Next Decade' by Charles Ormiston.
- ✓ **Ecosystem Leadership Mastery:**
Develop the skills to identify, build, and leverage ecosystem collaboration that create competitive advantages and unlock new value streams for your organisation.
- ✓ **Innovation with Impact:**
Discover innovation opportunities across ASEAN and beyond, including a learning journey to the Innovation Hubs at Singapore Institute of Technology.

WHO SHOULD ATTEND
